Accessing Grades in JMC Gradebook

- Use this login information to access your **current grades and missing assignments**.
- Just go to our school website and click on the **A+ sign** in the top right corner of the screen.
- Click on student and enter your user name and password.

- You can view your quarter and midterm grades by clicking on **Report Card/Midterm Report** Card.
- You can also view your current grade and list of missing assignments at any time by clicking on **Progress Report**.
  - Scroll down to the class you want to view and click on the **BLUE QTR4 link and it will show you all of our assignments**.
  - If you see an **MI** that means you are missing that assignment.
