Discipline Policy

Browns Valley School’s philosophy is that learning can best take place in an environment, which is orderly, safe, and stimulating; and which enables all students to develop to their fullest potential. The atmosphere of the school must promote fairness, courtesy, honesty and respect between students and school personnel. The responsibility for maintaining a safe, orderly school is a cooperative effort of students, school personnel, home and community.

The After School Program is an extension of the school day. The District has adopted a school-wide discipline plan, which also applies to the After School Program.

The following consequences for students’ inappropriate behaviors will occur:

- 1) 1st Offense Warning
- 2) 2nd Offense Time-out
- 3) 3rd Offense Parent called, and student suspended from the program for 1 day
- 4) 4th Offense Parent called, and student suspended from the program for 3 days
- 5) 5th Offense Parent called, and student suspended from the program for 1 week
- 6) 6th Offense Parent called, and student suspended from the program. A conference must be held before the student is allowed to return.
