Message from the school:

The Browns Valley School is a small public school that provides more of a private school experience to the students and families. The very experienced staff is dedicated to the district and the community. Staff and most families are on a first name basis in this community. New faces to our school family are enthusiastically welcomed and readily recognized by name. The staff is sensitive to the individual needs of the high poverty and culturally diverse population it serves. This school experience is sought out by families outside the district with waiting lists for entry into our Pre-K program.

The message above is provided by the school and has not been verified by the Minnesota Department of Education.

This school has been prioritized for comprehensive support because it is in the lowest 5 percent of schools receiving federal Title I funds.
