

BROWNS VALLEY MIDDLE SCHOOL
PHYSICALS (ALL SPORTS)
FOOTBALL/VOLLEYBALL

2018-2019 School Year

Dear Parents/Guardians & 6-8th Grade Students:

The 2018 fall sports season for grades 6-8 girls and boys will soon be getting underway. Girls' Volleyball Coach, **Katie Hannasch** and Boys' Football Coach, **John Goodhart** would like to encourage everyone to participate. Practice will begin Thursday, August 23-. Practices should end each day around 5:00 p.m. All parents should be able to pick their children up by 5:15 p.m.

Before practicing a current physical is required. Sports physicals are available at the Browns Valley Clinic on Monday (9:00-12:00), Tuesday, Wednesday, Thursday, and Friday from 9:00 to 4:30 p.m. You may call (320-695-2526) to make an appointment for a sports' physical on those days. For students with no insurance coverage, the cost of the physical (good for three years), is \$50.00. Payment is expected at time of service.

An Initial Pre-Participation History must be completed by the parent or guardian prior to taking the physical examination. A physical permit and additional forms will be available at the school.

We are looking forward to the upcoming seasons. We have found that the Browns Valley students are extremely cooperative and rewarding to work with. As coaches, we go into the year expecting successful seasons; and plan to make the programs fun and enjoyable.

The school will be charging a \$25.00 participation fee for all players. This fee must be paid prior to practicing. Also players can purchase school insurance or need to sign an insurance waiver prior to practicing.

Again, we are very excited about the upcoming seasons. If you have any questions, please call us at home or give Activities Director, John Goodhart a call at 695-2103.

Sincerely yours,

John Goodhart (Football)
