

A **Free** Vaccination Clinic for all 6th graders in Stevens Traverse and Grant Counties

Date: Thursday, April 3rd, 2014
Time: During school hours
Location: Students from Ashby, Browns Valley, Chokio Alberta, Hancock, Herman Norcross and West Central Area will be bussed to and from the Morris Area High School. Morris students will be brought to the gym from class.

What: **FREE** required vaccinations for all students entering 7th grade in the fall of 2014.*

Students must have their signed, registration form with them to get the shots. The form will be sent out closer to April 3rd.

Vaccinations provided at this clinic include:

- Meningococcal (meningitis)
- Tdap (tetanus, diphtheria & pertussis)

Stevens Traverse Grant Public Health is administering FREE vaccine as a way to test emergency preparedness plans and provide school required vaccines to students.

THANK YOU to all the area schools for their willing participation.

*Minnesota law requires written proof of certain vaccinations for children in child care, early childhood programs, and school. However, if a child has a medical reason or if parents are conscientiously opposed to any or all of the vaccinations, a legal exemption form is available at your child's school.
