

Study Island Beginning of the Year Instructions for Teachers

To access your students logins and passwords for Study Island:

- Login
- Select "Teacher Page" (on left)
- In the "My Classes" box, select "Password List"
- Select the grade or class (classes are available after you create them - see below)
- "Login Cards" will give you a printable login card for each student
- "Print PDF" will give you a list of student logins and passwords

To create a class:

- Login
- Select "Class Manager"
- Select "Add New Class"
- Add a Class Title
- Select "Co-Owner" and the teacher's name if you share a class with another teacher, otherwise leave blank
- Select students for your class (click on the + to see list of individual users)
- Save
