Tech Support Directions

Updated 2/9/23

The technology support link under "Staff Links" has been updated. Clicking on that link will now take you to "Spiceworks." You will start by entering in your email on the registration page and selecting "Log In." Then you will receive an email with a link to login the first time. Then select "Submit A Ticket" at the top right.

Another option is to email help@brownsvalley.on.spiceworks.com. If it is an emergency, please email help@lcsctechsupport.on.spiceworks.com which will send an email to the LCSC office and the first available person will respond.
