

Classroom Technology Checklist

***Instructions for most programs can be found on the "Staff Links" page of our website. Or see Carmen. Please let Carmen know if you need changes to class lists or if there are spelling mistakes, or something isn't working correctly, etc. Student passwords can be found by logging into each program. Lists are printed and in your box for TTL, Code.org, and student emails.*

This checklist is for your reference only. You do not need to complete it or hand it in. 😊
