Minnesota Humanities Center

Absent Narratives Resource Collection - Ready to use materials created and developed by the MHC and its partners. Checkmark American Indian under "Content Themes" to view all American Indian related materials and lesson plans.

Bdote Memory Map

Through the Bdote Memory Map, you can find out more about some of the most important sites in Dakota history from Dakota people and share with others your own experience of these special places.

Montana Office of Public Instruction's Indian Education For All: K-12 Lesson Plans

Montana's Indian Education For All offers lesson plans for classroom use that address topics such as cultural diversity, geography, history and more. The curriculum was designed to develop all students' understanding of American Indian people and their histories, as well as fostering respect for their respective cultures.

Indian Land Tenure Curriculum - Lessons of Our Land

Lessons of Our Land is designed to make it easy for Pre-K through Grade 12 teachers to incorporate Native American stories, lessons and games into regular classroom instruction. This interdisciplinary Indian land curriculum was designed to align with existing state standards and is adaptable to include the history and culture of a region's Indian nations.
