

October Native American Parent Committee Meeting

October 26, 2023

Meeting called to order 7:07 pm via ZOOM

Attendance: Larelle Miller, Parent
Charnelle Gill, Parent
Kimberly Keeble, Parent
Katrina Wallenstein, Parent
Erica Keoke, Parent
Dustina Gill, Parent
Denise Pickarski, Principal
Brenda Reed, Superintendent
,Teacher

Minutes: No meeting in September

Curriculum Review: Update on the previous reading programs vs. the current reading programs .
Update on the various science programs.

Mark Mindt will be facilitating a three day comic workshop in January. He facilitated a one day workshop last year and the feedback was excellent.

Cultural Activities: Culture Club is being held every Wednesday. They are broken in to two classes per gathering due to the large response in sign up. Last year culture club was broken into two groups and that was still too big. Having smaller groups keeps the learning and fun very hands on. The students are not very happy with having only one session per month, but until we get a full time cultural advisor that will have to be the schedule. We will be doing Saturday cultural family workshops during the winter months.

JOM: Ask Dr. Johnson and the Browns Valley JOM representative to update the parent committee on the current policies etc., and invite to them next meeting and also when the next JOM meeting is. Parents do not want JOM funds to be used for Parent Incentives. Funding should be for the students only. There isn't enough funding to take away for anything else.

Staff: There is an open position for a para and sub for the classroom. Requirements: High school Diploma. Training will be provided by the school. Put it on the website and share on Facebook.

Next Meeting schedule is the 2nd Monday of each month..

Next meetings are: **November 13th and December 18th**. 6:30 pm via ZOOM

ZOOM ID number is **6052372180**
