

Chromebook 1:1 User and Maintenance Technology Fee

Option 1: Technology Fee

Students in grades 2-8 will be assessed a \$40.00 non-refundable technology fee. The fee covers repair and maintenance for incidences of damage. A \$100.00 cap will be applied for families with 3 or more children. Students will be assessed an additional \$5.00 for removing the asset tag. The fee does not cover theft, lost, or misplacement of chromebooks, cosmetic damage, damage caused by misuse and abuse of Chromebooks.

Option 2: Opt Out of Technology Fee

A student/family may opt out of the \$40.00 non-refundable technology fee. Parents/students are responsible for repair and replacement costs not to exceed \$340.00 per incident. The following Damage-Waiver Fees will apply for damage equipment:

- a. Screen \$100.00
- b. Charger \$20.00
- c. Keyboard/touchpad \$75.00
- d. Cleaning (due to negligence or intentional abuse i.e. food, stickers, pen/pencil marks, dirt) \$10.00
- e. Asset tag replacement \$5.00
- f. Full replacement cost \$340

During online registration, parents will indicate either yes or no to paying the technology fee for the current school year.

If the fee is not paid by the first day of school, the technology fee will automatically roll over into option 2.
